# Introduction

## What does Flip it! - Resources do?

- It provides the flash source code of a page flipping engine.
- A similar code is used by the extension Flip it!
- The provides code hasn't a navigation bar, the code used by Flip it! has a navigation bar.
- The code used by Flip it! is compiled, a source code is not available.
- The provided code is relevant only for Flash developers, who like to develop the code.
